Impela, uma besiyokuya sethembile ngaphambi kukaNkulunkulu sizethembile noma nasiphi esinye isidalwa noma kukancane kangakani besizoba-nokuphangwa impela. Ngenxa yalokho yilowo nalowo ufanele ukuthi kanye noDavide: (AmaHubo 143:2) **Nkosi ungangeni ekwahluleleni nenceku yakho, ngokuba akukho muntu okhona olungile emehlwka akho.**

24

Ngokungcwelisiswa komuntu nemisebenzi elungleleyo

Siyakholwa ukuthi lokhukukholwa kwangempela, okusetshenzwe kumuntu ngokulizwa iZwi likaNkulunkulu nokusebenza kukaMoya

oNgcwele, kuyamzalisa ngokwesibili, kumenze umuntu omusha, kumphilise impilo entsha, kumthukulule ebugqilini besono. Ngenxa yalokhu lokhukukholwa okulungisisayo kukude kangaka kunokumphelisa empilweni ekholekile engcwele ukuthi ngaphandle kwakhe angeke enze lutho ngokuthanda uNkulunkulu kodwa kuphela ngokuzithanda nangokwesaba ukulahlwa. Kanjalo kanti kungenzeke ukuthi lokhukukholwa okungcwele kungasebenzi kumuntu, njengokuba singakhulumi ngokukholwa okuyize kodwa ngokunje okubhalwa ngumBhalo ngokuthi **ukukholwa okusebenzayo ngothando**, okuqhubayo umuntu ukuzivitha emisebenzini uNkulunkulu ayale ngawo eZwini lakhe; imisebenzi ethi uma ivela kuyo impande elungile yokukholwa, ilungile ijabulisa uNkulunkulu njengokuba yonke ingcweliwe ngomusa wakhe. Kusenje kodwa ayikwazi imisebenzi ukubaelwa ukusilungisa ngoba kungokukholwa kuKrestu esilungiswa ngakho, singakenzi imisebenzi elungileyo, ngaphandle kwalokho ibingeke ikwazi ukubamihle, njengokuba isithelo sesihlahla singeke sikhazi ukuba-sihle ngaphandle kokuba isihlahla sibe-sihle. Kanjalo senza imisebenzi elungileyo kodwa hayi ukuzuza utho ngoba besingazuzani? Yebo, yithina esinecalu kuNkulunkulu ngenxa yemisebenzi elungile esiyenzayo, akusuye onalo kithi, njengokuba **kunguye osebenza kithi nokuthanda nokwenza ngentando yakhe** (Fil. 2:13). Masiqaphele kanti okulotshiweyo: (uLuk. 17:10) **Nxa nikwenzile konke enikuyaliweyo anothi: Asizinceku zahutho sikwenzile nje ebefanele ukuwenza.** Kusenjalo kodwa asithandi ukuphika ukuthi uNkulunkulu uzuzisa imisebenzi emihle, kodwa uzuzisa ngomusa izipho zakhe ezilungile. Ngokudlula, noma senza imisebenzi elungileyo asakheli ukusindiswa kwethu kuyo, ngoba asikwazi ukwenza umsebenzi namuphi noma kubindwe yinyama yethu futhi ufanele isijeziso; noma besingafeza nowodwa, nokho, ukukhumbula isono esisodwa bekuzokwanelu ukuba ulahlwe nguNkulunkulu. Kanjalo besizobasekungabazeni njalo sintantatheke ngaphandle kokuqiniseka, ulowuhlushwa unembeza wethu wosizi uma kunganqiki enzuzweni yokuhlupheka nokufa koMsindisi wethu.

Ngokukhawulisa komthetho wemikhuba

Siyakholwa ukuthi imikhuba nezibonakaliso zomthetho zakhawula ngokufika kukaKrestu, nokuthi zonke izithunzi zacgina, ukuze ukuse-tshenziswa kwazo kumaKrestu kufanele ukukhawulisa; nokho kusala iqiniso nesiqu sakhe kuJesu Krestu, owathola kuye ukugcwaliseka kwakho. Kusenjalo sisasebenzisa ubufakazi obukhishwa emThethweni nakubaProfethi ukusiqinisisa evangelini, nokuhlela impilo yethu ngobu-qotho obuphelele, ukudumisa uNkulunkulu ngentando yakhe.

Ngokuthandazela okukodwa kukaKrestu

Siyakholwa ukuthi asinakho okunye ukungena kuNkulunkulu ngaphandle koMlamuli oyedwa noMmeli uJesu Krestu, olungle; owabangumuntu ngenxa yalokhu, okukuye kuhlanganisiwe kanye-kanye isimo sobuNkulunkulu nesobuntu, ukuze umuntu abenokungena phambi kobukhosи kobuNkulunkulu; ngaphandle kwalokho bekusivalelwе ukungena. Kodwa loMlamuli uYise asinikile phakathi kwethu naye, angabosethusa ngobukhulu bakhe ukuze sifuna omunye ngombono wethu. Ngoba akakho noyedwa ezulwini noma emhlabeni phakathi kwezidalwa osithandayo kakhulu kunoJesu Krestu, **Owathi enesimo sikaNkulunkulu wazidela wathabatha isimo sobuntu nesenceku ngenxa yethu (Fil. 2:7) wabanjengabafowabo kukho konke (Heb. 2:17b).** Uma-ke bekuswelekile ukuba sifune omunye umlamuli ebozosizwela, besizofumana ubani osithanda ngaphezu kwalo owasinikelela impilo yakhe, **siseyezitha zakhe (Rom. 5:10).** Futhi uma sifuna uMlamuli onamandla nokubukeka, ngubani onakho okungangokukalo **ohlezi ngakwesokunene sikaYise** (Kol. 3:1; Heb. 1:3) **nonamandla onke ezulwini nasemhlabeni** (Math. 28:18)? Futhi ngubani ozokuzwiwa kuneNdodana kaNkulunkulu uqobo ethandekayo? Kanti kungokungethembi kuphela ukuthi kungenisiwe lomsebenzi ongafanele ukuthi abantu badumaze abangcwele esikhundleni sokuba babahloniphe, ngokwenza abangazange bakwenze bona nokukufisela kodwa abakulahlayo ngokuphikelela ngemfanelo yabo nangokuba kubonakala emibhalweni yabo. Futhi lapha kungaphakanyiswa ukuthi asikufanele, ngoba akukho nakancane ukuthi siletha imithandazo yethu phambi kukaNkulunkulu ngenxa yenani lethu kodwa kuphela ngenxa yokuqhama nenani leNkosi yethu uJesu Krestu, okulunga kwakhe kungokwethu ngokukholwa. Ngakho umphostoli uma ethanda ukususa kithi lokhu ukwesaba noma ukungethembi, uthi kithi: **UJesu Kristu waba-njengabafowabo kukho konke ukuze abe-ngumpristi omkhulu ohawukelayo abe-yinhlawulo yezeno zabantu (Heb. 2:17).** Ngokuba lokhu wahlupheka yena uqobo elingwa, unamandla okusiza abalingwayo (Heb. 1:18). Ngemva kwalokho, ukuze asikhuthaze ngokwedlula ukuya kuye, uthi: Ngakho-ke lokhu sinoM-pristi omkhulu kakhulu odabulile amazulu, uJesu iNdodana kaNkulunkulu, masibambelele kuso isivumo sethu. Ngokuba asinaye umpristi omkhulu ongenakuzwelana nobuthakathaka bethu, kepha olingiwe kukho konke njengathi, engenasono. (Heb. 4:14, 15). Ngakho-ke masisondele ngesibindi esihlalweni somusa ukuba samukeliswe isihawu sifumane umusa wokusiza ngesikhathi esifaneleyo (Heb. 4:16). Yena lomphostoli futhi uthi (Heb. 10:19) sinesibindi sokungena endaweni engcwele ngegazi likaJesu, masisondele ngokwethemba okupheleleyo (njN). Futhi (Heb. 7:24) **UKrestu unobuPristi obungenakuguquka, ngakho-ke**

unamandla okusindisa ngokupheleleyo abeza kuNkulunkulu ngaye, lokho ephilela njalo ukubamela. Kusaswelekeni ngoba uKrestu uqobo uthi: (Joh. 14:6) Mina ngiyindlela nequiniso nokuphila, akakho oza kubaba ngaphandle kwami. (Sizofunelani uMmeli omunye njengokuba bekukuhle kuNkulunkulu ukusinikela iNdodana yakhe njengoMmeli? Masingashiyi yena ukuthabatha omunye noma ukufuna omunye esingeke simfumane nanini; ngoba uma uNkulunkulu esinikela yena ubazi kahle ukuthi bayizoni. Ngenxa yalokho ngesiyalo sikaKrestu sibiza uBaba osezulwini ngaye uKrestu uMlamuli wethu oyedwa, njengokuba sikufundisiwe emthandazweni weNkosi; sinequiniso lokuthi: (Joh. 16:23) Lokhu esiyakukucela kuBaba egameni lakhe siyakukunikwa khona.
