

## The Four Millennial Systems

Simplified charts of the four main eschatological views (from simple to more complicated), showing the time periods from Christ's first coming onwards (millennium here means a "golden age" of spiritual and material blessing)

A. Amillennialism – 2 periods from Christ's incarnation (e.g., W. J. Grier, Herman Bavinck, Geerhardus Vos)

B. Historic Postmillennialism – 3 periods (e.g., Jonathan Edwards, B. B. Warfield)  
(there is also a modified postmillennialism of the reconstructionists)

C. Historic Premillennialism – 3 periods (e.g., C. H. Spurgeon, Ian Paisley)

D. Dispensational Premillennialism – 4 periods (e.g., Hal Lindsey, Tim LaHaye)
