

Three (or Five) Eschatological Systems

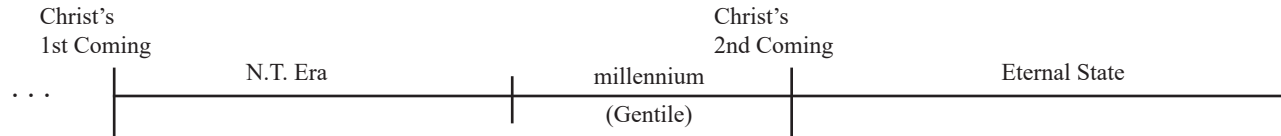

1. Historic Premillennialism (e.g., George Eldon Ladd, Ian Paisley)

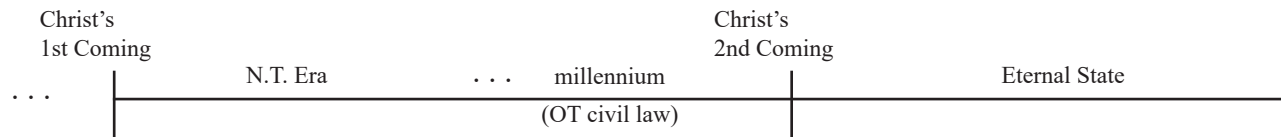

2. Dispensational Premillennialism (e.g., Hal Lindsey, Tim LaHaye)

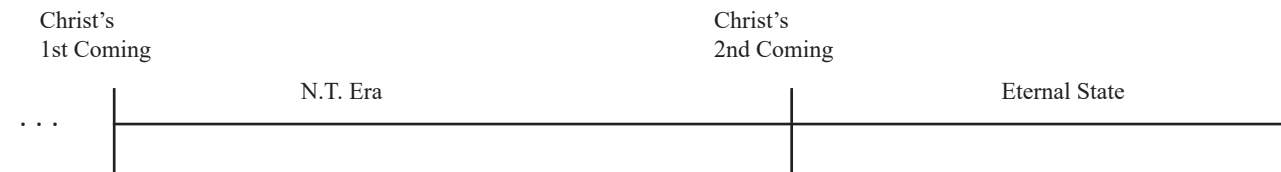

3. Historic Postmillennialism (e.g., Jonathan Edwards, B. B. Warfield)

4. Reconstructionist Postmillennialism (e.g., R. J. Rushdoony, Kenneth Gentry)

5. Amillennialism (e.g., Herman Bavinck, Geerhardus Vos, W. J. Grier)

“Millennium” here means a (future) golden age of spiritual and material blessings on earth
